

Summary of Precept Bridlington Town Council Financial Year 2018/2019

Each year Bridlington Town Council is obliged to produce a budget to cover its operational costs. The Town Council requests the East Riding of Yorkshire Council to levy a charge on every domestic property within the three Bridlington wards. This charge is known as the Precept and the cost to each household is dependent upon the Council Tax Band that the property falls into. The bands range from 'A' to 'H' and the Town Council's 2018/2019 Precept ranges from 26p per week for an 'A' band property to 79p per week for a 'H' band property. For more details of the breakdown of services and costs included within the Town Council's Precept please see the reverse of this leaflet.

The Precept has seen a 0.32% increase this year. However, this is solely due to the increased tax base. The band 'A' to 'H' amounts will benefit from a 0% increase this year and will remain the same as the previous financial year.
